PRESIDENT JACOBS APPOINTED TO A.I.M. COUNCIL

President Henry L. Jacobs has been appointed a member of The President's Council of The American Institute of Management. This appointment has been made in recognition of his contribution in the field of Management, thereby improving the National economy and strengthening our system of individual enterprise.

LAMBERT, '38, NEILAN, '43, LIONEL H. MERCIER, '30 CITED AT 1959 HOMECOMING

Cited for "outstanding accomplishment in their personal endeavors and for bringing recognition to their alma mater" at the 1959 Homecoming were Miss Elizabeth A. Neilan and Mr. William A. Lambert.

National Alumni Council President William E. Connor presented their citations to them following the Homecoming banquet in the College Dining Hall. In expressing their appreciation, both recipients touched upon the teacher-student relationship each had experienced while attending Bryant. Miss Neilan commented that often it is the successful student who remembers that he owes much of his accomplishment to the instruction received from faculty members, who are otherwise forgotten. Mr. Lambert recalled his assistantship with Dean Nelson Galski, and spoke briefly of the intense enthusiasm that is generated within the student who knows what he wants and the course he is to go.

On behalf of the alumni, President Connor presented College President Henry L. Jacobs with two pen and ink sketches of familiar college buildings—the Administration Building and Jacobs Hall.

President Jacobs cited Dean of the Secretarial School at Bryant Lionel H. Mercier for his faithful service to the College, and presented him with an engraved silver tray.

50th and 25th Reunion Classes Represented at 1959 Homecoming

Classmates from the Rhode Island Commercial School, the Bryant and Stratton Business College, and the combined schools of fifty years ago met together at Homecoming, many of them not having seen each other for fifty years. Through the generosity of Mr. A. Frederick Bowler, '09, the Alumni Office was given a commencement program for the Class of 1909. With this valuable aid, fifteen members of the class were con-

tacted and sent special invitations to the June 6 activities. They were luncheon guests of the National Alumni Council.

During the President's Reception held during the afternoon in the College Library, each alumnus and alumnae present from the Class of 1909 or before was presented an engraved desk pen set by President Henry L. Jacobs as a memento of the occasion.

'01 Alumnus Named Outstanding Citizen of Bristol, R. I.

In June of 1901 Frank L. Doran received his diploma from Bryant and Stratton Business College, along with others in a large class of men and women.

Fifty-eight years later, Mr. Doran is still actively employed as Accounting Manager for the C. Brito Construction Company, Inc., in Bristol, R. I. and handles some private corporation accounting and tax work.

In 1915 he installed an accounting system for the What Cheer Laundry in Providence that attracted the attention of the larger laundries in New York because it resulted in increased wages and lower payrolls. He is also the originator of the slogan still used on the What Cheer Laundry delivery trucks—"What Cheer Brings Good Cheer".

Mr. Doran's civic activities embrace many fields—all of a volunteer nature. He has produced various musicals and dramatic presentations for churches and community groups; served on the Board of Governors of the Bristol Twilight Baseball League from 1932 to 1944; and has been a member of the Bristol Budget Commission for 28 years, fulfilling the responsibilities as Chairman for 25 years.

In recognition of his accomplishments and service to the community the Bristol Young Men's Christian Association awarded him their citation as Outstanding Citizen for 1958.
